我们认为这个计划很好，不过 我们认为牛奶
应该维持原来的 $4\frac{1}{2}$ gallons; Cheese and cereal
可以不要。Juice 还可以相应减少; Eggs and fruits
and vegetables 能否相应增加。这 也是他们的
意见。

We think this plan is great. But I think the amt. of milk
should have stayed at original $4\frac{1}{2}$ gallons. Don't really
need cheese and cereal; may also reduce the amt. of juice;
Would like to see increased amt. on eggs, fruits, vegetables.
These are just our thoughts.
